

Repurposing Legacy Wells and Infrastructure for Underground Hydrogen Storage and CCS

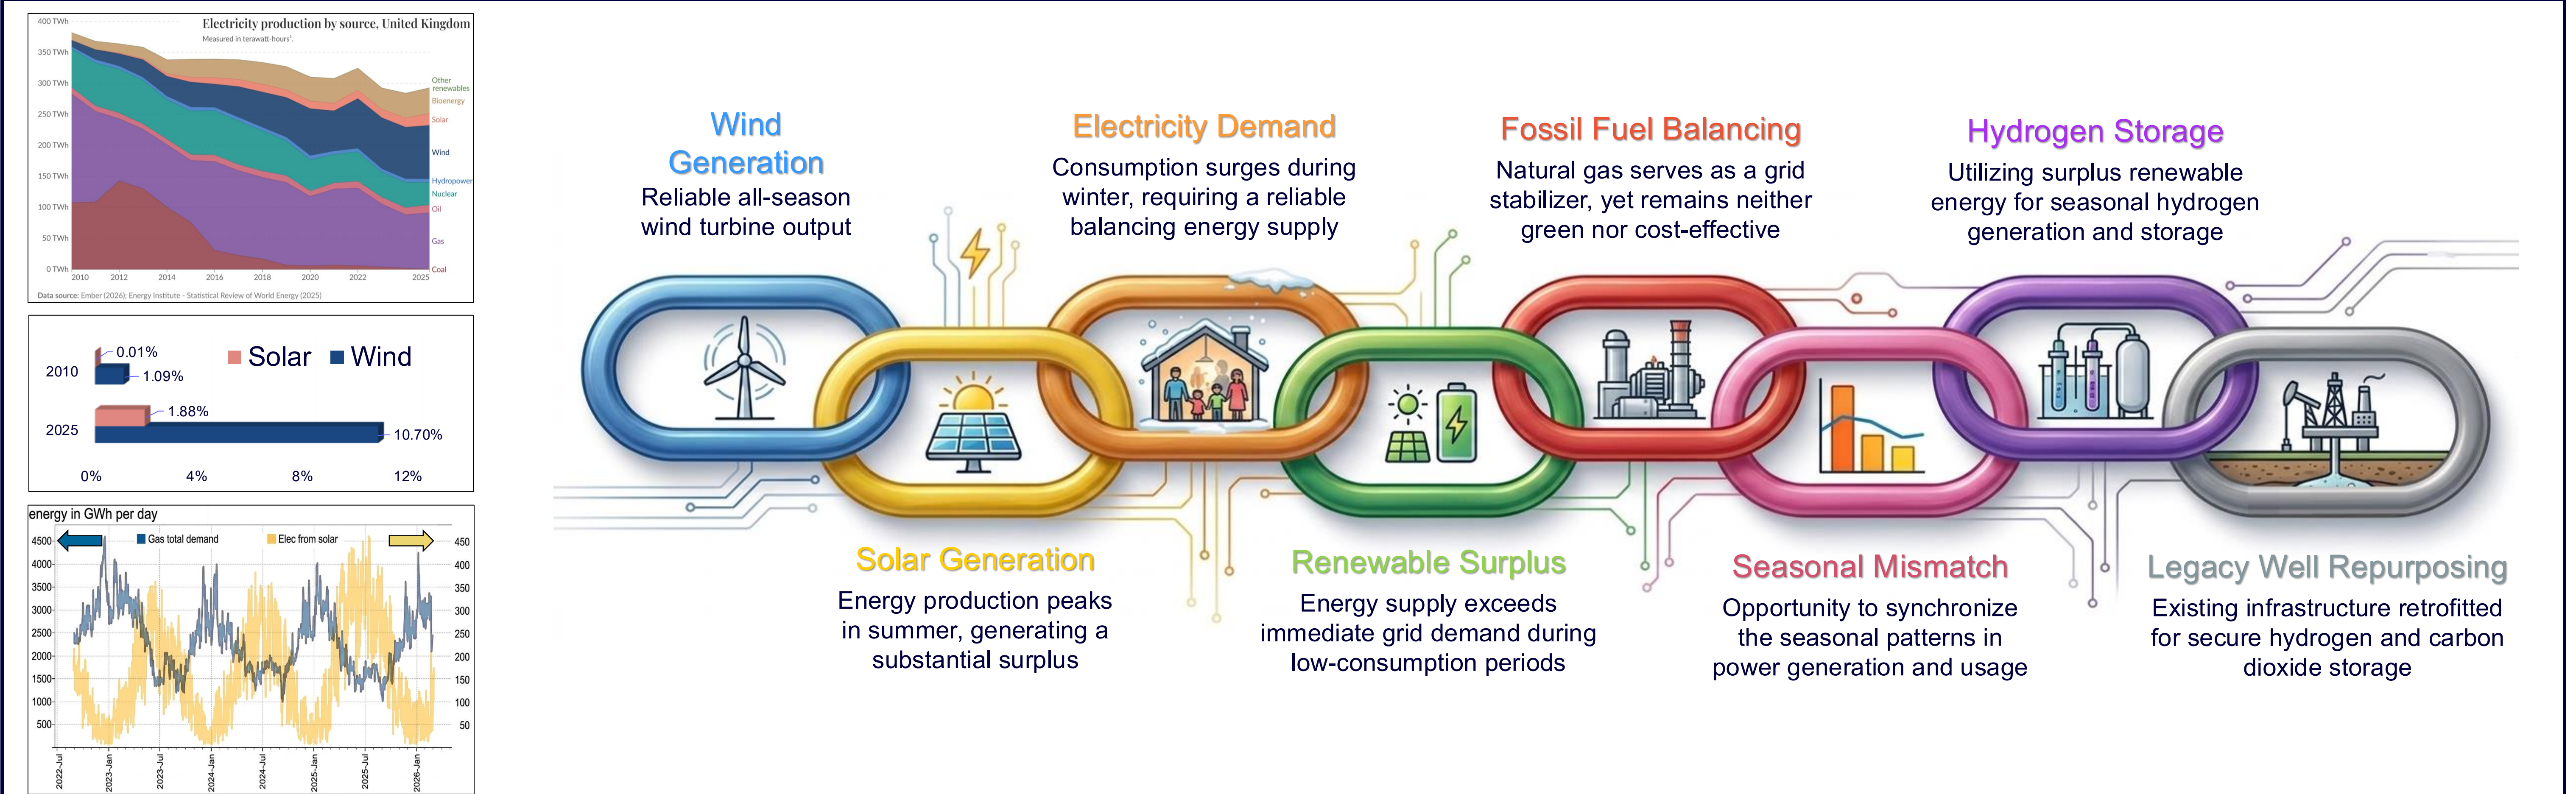

Engineering and Physical Sciences Research Council

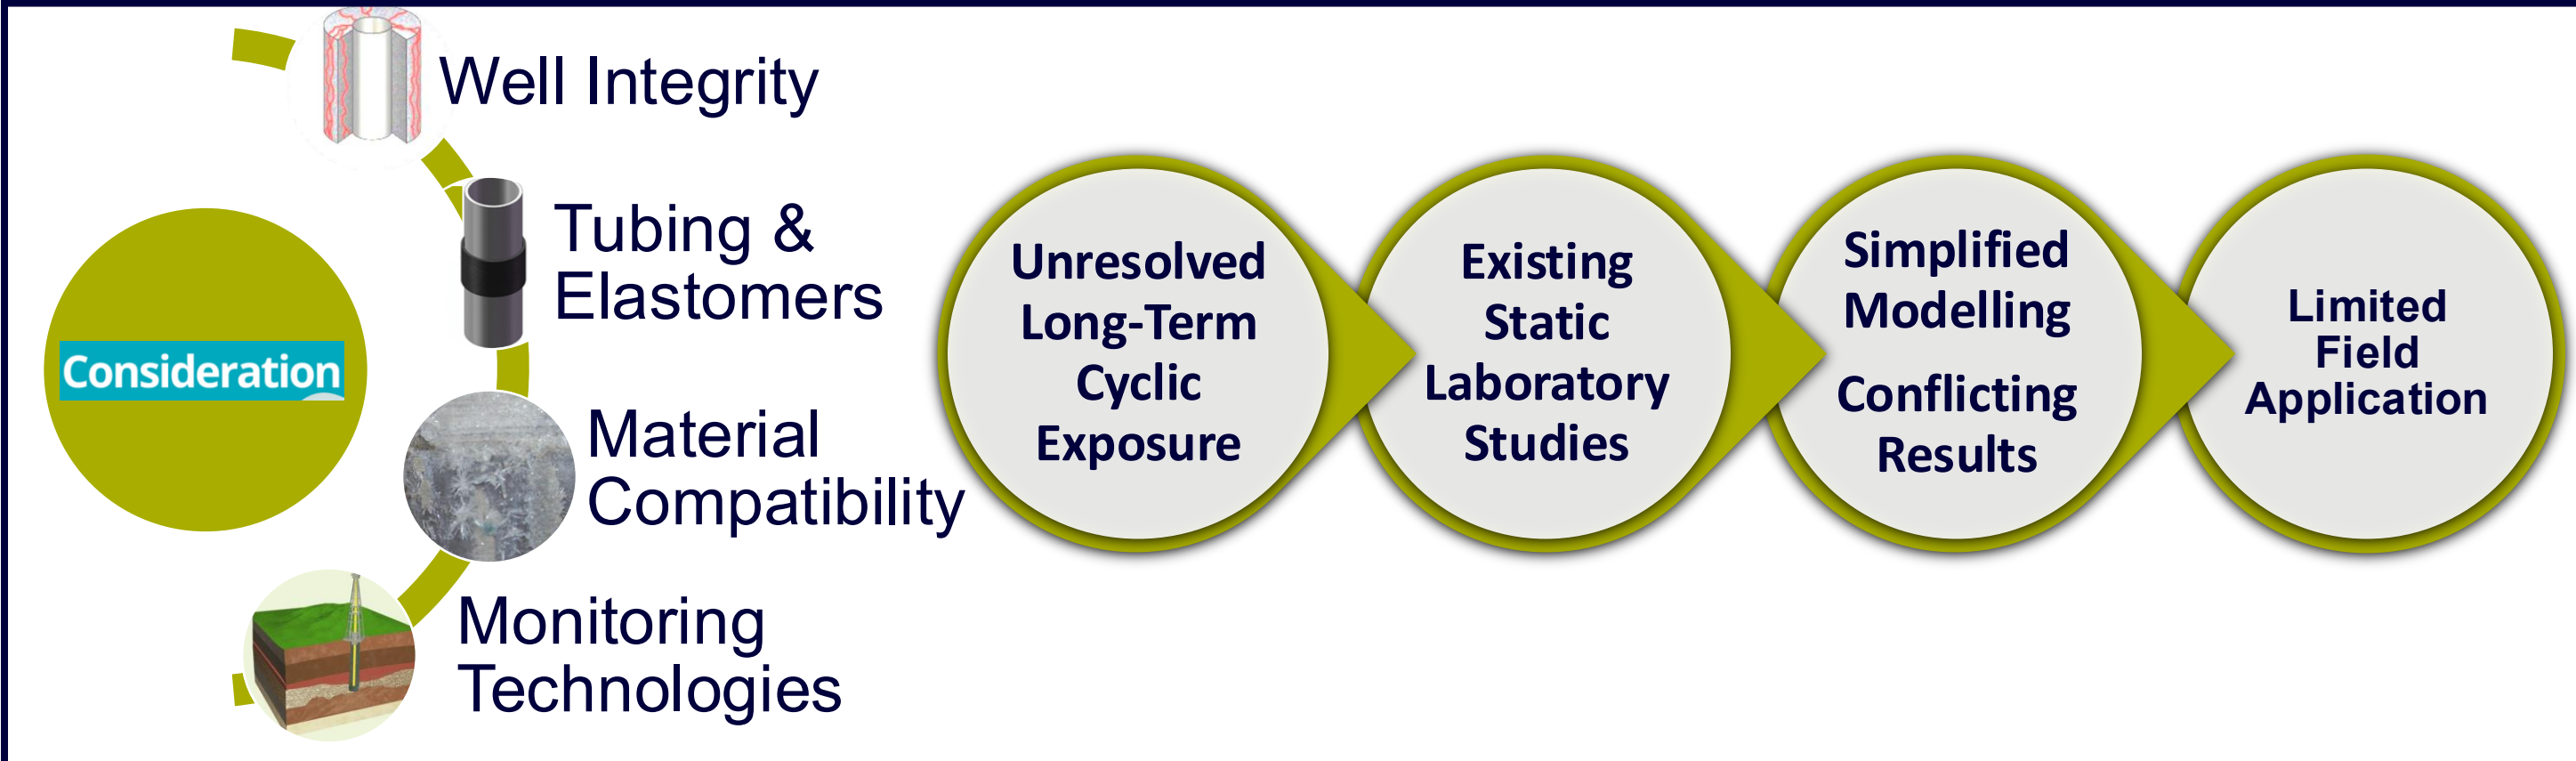

Muntadhar Mejthab - PhD Researcher, Professor John M. Andresen, Dr. Omid Shahrokhi
Heriot-Watt University, School of Engineering and Physical Sciences, Edinburgh, UK

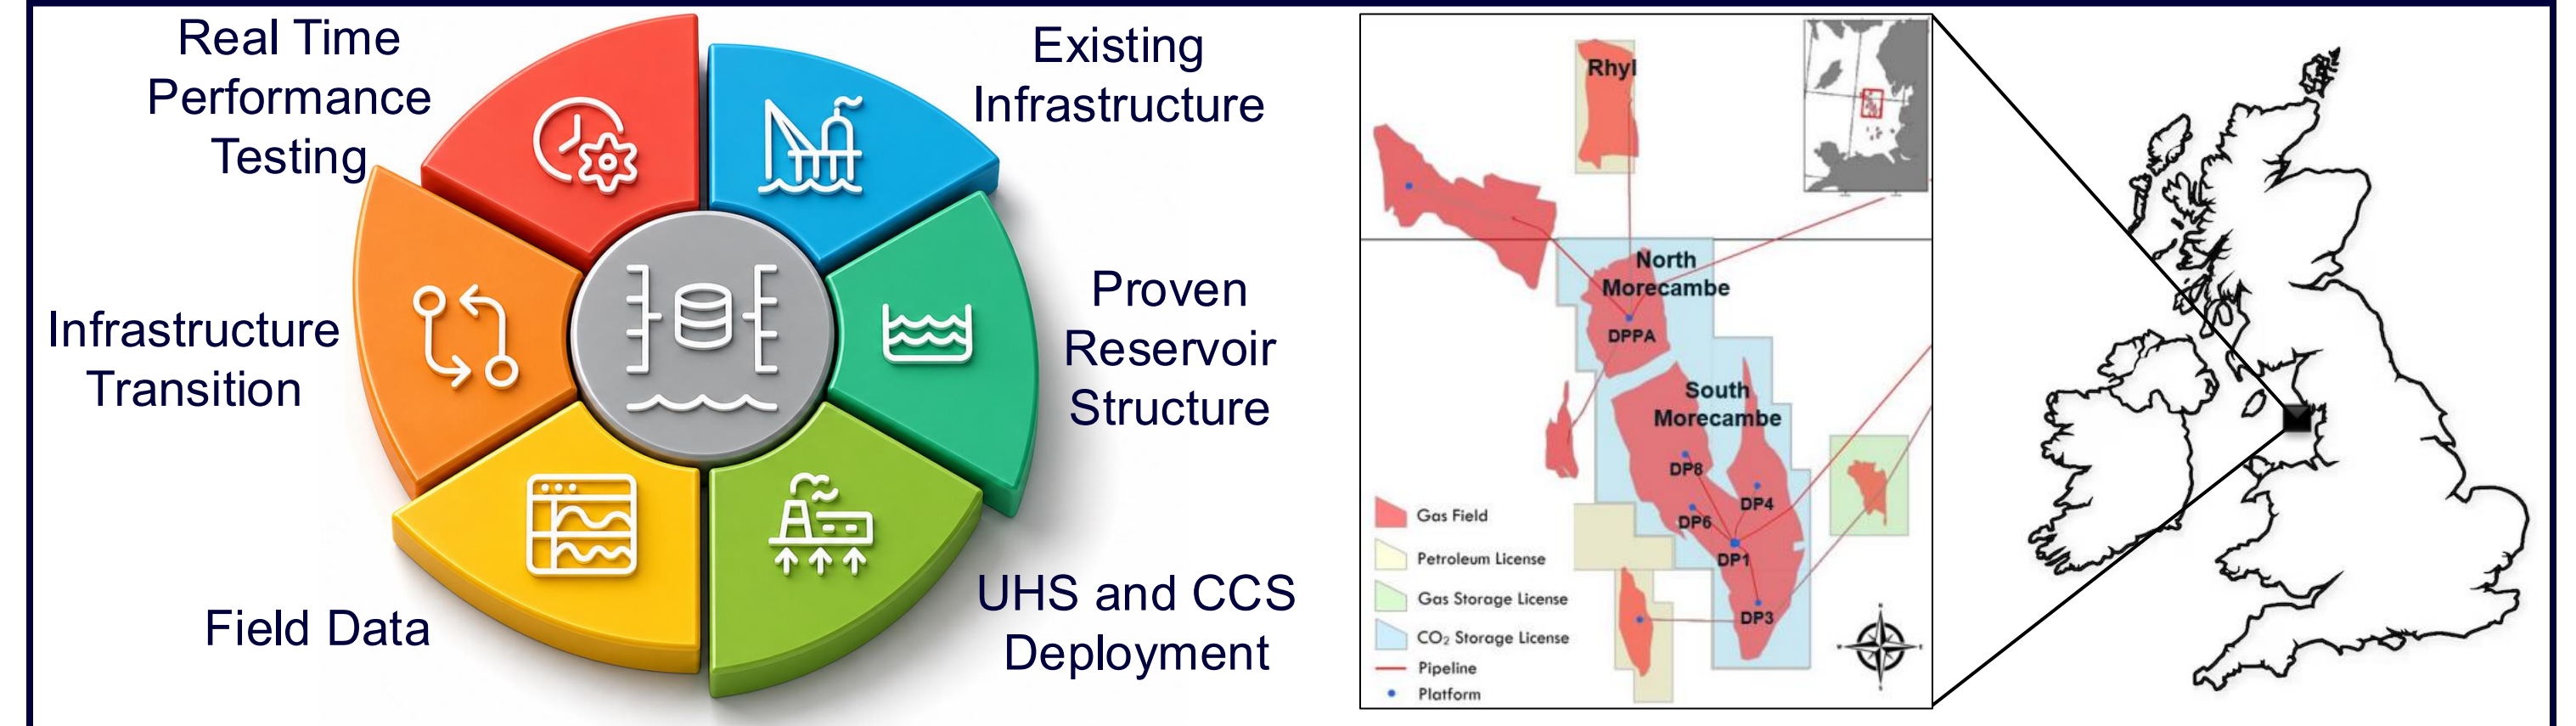

Introduction : UK consumption by source

Challenges : Towards Greener Storages

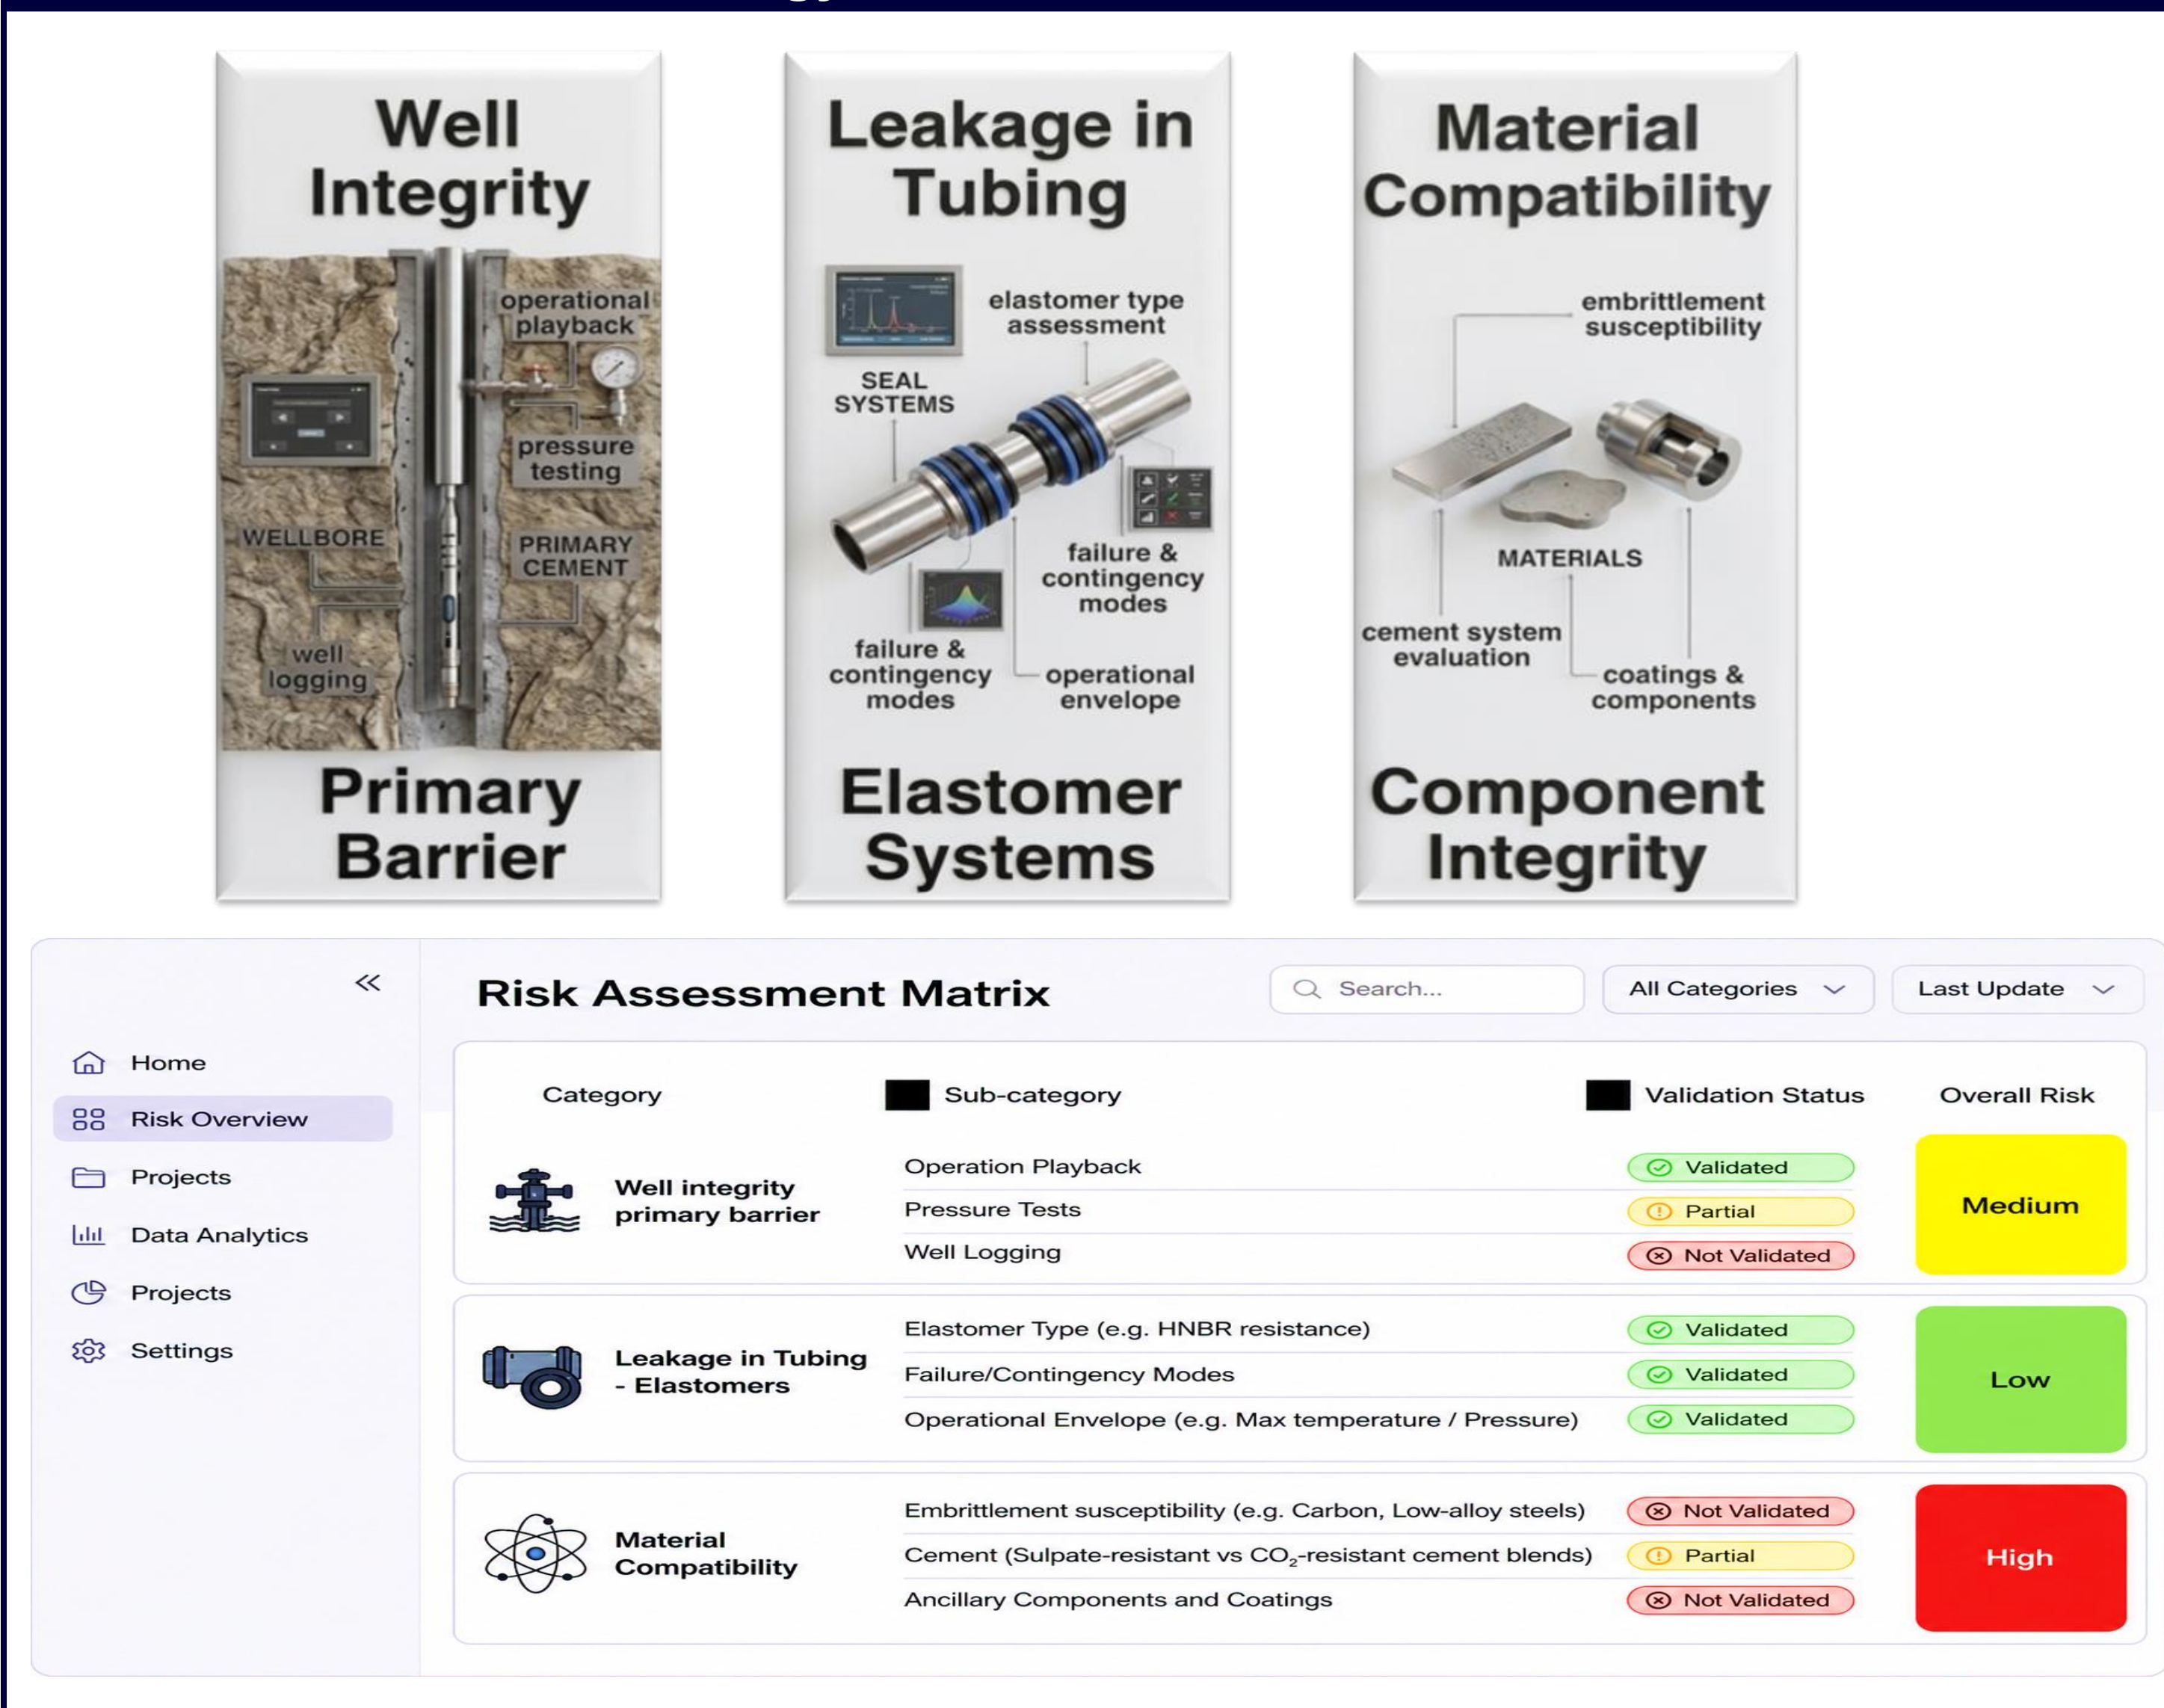

Actions : Morecambe Net Zero Cluster (Case Study)

Quiz : Can you spot the differences?

Methodology : Field-Based Evaluation Model

Deliverable : One Integrated Framework
